

# Kindergarten Education Scheme

## School-based Learning Activity of Chinese Culture

### Display Form

Tin Shui Wai Alliance Kindergarten

Name of School

2023/2024

School Year

K2

Grade Level

Name of Activity

Our Kite Festival

Objective(s)

- Learn about autumn outdoor activity---kite flying
- Admire the patterns and designs of traditional Chinese kites
- Understand the making methods and materials of traditional Chinese kites
- Briefly understand the history and origin of traditional Chinese kites

Brief Descriptions:

Through the school scene decoration, children appreciated the traditional Chinese kite craftsmanship and the colors of the kites.

Observed the traditional Chinese kite making method. (online video)

Parents and children design a kite together, displayed it in the school and flied the kite in Tai Au Mun Kite-flying Area. (大坳門風箏場)

Record of Activity (E.g. Children's Work / Photos / Videos of the activity)

Campus scenes are arranged to allow children to appreciate traditional Chinese kite patterns and designs

Children completed the book 《風箏》

Children made and flied kites at school

Parent-child kite design

Flied the kite at the "Playing Games with Nature" activity
