School-based Learning Activity of Chinese Culture  
Display Form**

**Tin Shui Wai Alliance Kindergarten**

Name of School

**2023-2024**

School Year

**K1-K3**

Grade Level

**Name of Activity**

**Mid-Autumn Festival celebration**

**Objective(s)**

- Introduce the Mid-Autumn Festival through various booth activities.
- Experience Chinese traditional activities through lantern riddle guessing game, and feel the cultural heritage.
- Provide a lantern design competition that encourage children and parents use creativity to design their lanterns.
- Foster children's appreciation and fondness for traditional Chinese culture.
- Cultivate children to love traditional Chinese culture.

**Brief Descriptions:**

The school has organized a series of Mid-Autumn Festival activities to help children learn more about the traditional Chinese festival.

On the day of the Mid-Autumn Festival celebration, various booth activities were set up to allow children understood the significance of the Mid-Autumn Festival and traditional folk toys.

Through the lantern design competition, children and parents showed their creativity by designing lanterns together, allowing them to experience the joy of the festival.

These activities could allow children to gain an in-depth understanding of the traditional customs of the Mid-Autumn Festival and cultivated their understanding and appreciation of traditional Chinese cultural festivals.
